

INFORMATION ON THE USE OF COOKIES

This document describes the use of cookies on the <http://www.ispartner.lv> website. The document specifies the purpose for which the cookies are used, including the right of users to choose the use of cookies according to their own needs and discretion.

Cookies help to secure, enhance and protect the services provided by Industry Service Partner by providing solutions that are more appropriate to the user's needs. Cookies also provide a convenient and secure website experience.

What are cookies?

Cookies are the data files sent from the website and stored on the user's device: computer, smartphone, or tablet by the user's browser (Google Chrome, Internet Explorer, Firefox, Safari, etc.). Most commonly, cookies are used in user authorization systems. With the help of cookies, websites can also provide personalized settings for the web user.

Cookies typically contain the following information:

- The name of the website;
- The storage time on the device;
- The unique number.

The user may at any time disable or restrict the use of cookies, but without cookies it will not be possible to fully use all the features of <http://www.ispartner.lv> website.

What cookies are used by <http://www.ispartner.lv>?

The *Industry Service Partner* website uses several types of cookies. They differ in terms of storage time and purpose of use of cookies. Over time, cookies may be updated and adjusted to improve the quality of our services. Cookie statistics may also be obtained from *Industry Service Partner* sites.

What is the purpose of the use of cookies?

- To provide and maintain the services provided by the *Industry Service Partner*, and their fair use;
- To ensure the security of the website;
- To collect usage statistics and perform analysis;
- To develop the most suitable offers for the client's needs.

The cookie-related information is not used to personally identify the user of the page.

INFORMATION ON THE USE OF COOKIES

What is the importance of the third-party cookies?

The third-party cookie information may be used on the *Industry Service Partner* website. The user may also see relevant offers on Industry Service Partner affiliate sites and resources.

The most commonly used tools for such analysis are:

- ☑ Google Inc. tools like *Google Analytics*, *DoubleClick*, *Google Tag Manager*, and *GA Audiences*. You can read more about these tools and their privacy policies at <https://policies.google.com/privacy> (Google Analytics Privacy) and <https://www.google.com/analytics/terms/gb.html> (Google Analytics Terms)
- ☑ Facebook Ireland Ltd. tools like *Facebook Custom Audience* and *Facebook Connect*. You can read more about this tool at <https://www.facebook.com/about/privacy/update> (Facebook Privacy Policy).

How can a user choose and change the use of cookies?

If you do not want your devices to use cookies, you can change your browser security settings. Changes to the settings must be made for each browser individually. Note that the settings may vary not only for different browsers, but also for browser versions.

Without the approval of the use of cookies on the Industry Service Partner website, you will not be able to make full use of the services offered by the Industry Service Partner.

You can read more about EU cookie regulation and laws at http://ec.europa.eu/ipg/basics/legal/cookies/index_en.htm
